SUMMARY

Web Developer and Technical Support Engineer with 4+ years of experience in PHP, Laravel, Next.js, WordPress optimization, VPS management, Linux administration, PowerDNS clustering, and custom WISECP/WHMCS module development for DNS and PTR management.

EXPERIENCE

Zorn Ventures Limited 2026–PRESENT
Customer Support Agent (On-site)

- Provided technical support via ticketing systems and live chat, troubleshooting hosting, server, DNS, and control panel issues.
- Manage and maintain VPS environments, cPanel/WHM servers, and web hosting infrastructure to ensure service reliability and performance.
- Design, deploy, and manage a distributed PowerDNS cluster for centralized DNS management and synchronization across multiple servers.

- Develop and integrate custom WISECP and WHMCS modules for automated DNS management and PTR (reverse DNS) record configuration.
- Manage hosting services and technical operations for **SatisfyHost** and **BengalCloud**, ensuring efficient customer support and service delivery.

TechZ IT 2025–2025
Chief Information Officer

- Led overall IT strategy, infrastructure management, and digital transformation initiatives to improve system performance, security, and scalability.
- Oversaw development teams and technology operations, ensuring efficient project delivery, cloud integration, and alignment with business goals.

Upwork & Fiverr 2022–PRESENT
Freelance Web Developer

- Developed over 15 full-stack web applications and responsive websites using Next.js, Laravel, and React for a global client base.
- Architected a comprehensive ERP using Python and MySQL, streamlining academic operations and data handling.

EDUCATION HISTORY

Mangrove Institute of Science and Technology 2023–2027
Diploma in Computer Science Technology

Data Structures & Algorithms, Web Development, Database Management Systems, Operating Systems, Computer Networks, Software Engineering, Object-Oriented Programming, Cyber Security.

CERTIFICATIONS & COURSES

National Skills Development Authority (NSDA) 2025-2025
Web Design and Development for Freelancing (Level-3)

- **Result Published**: December 21, 2025
- **Units**: Client communication, JavaScript development, CSS Frameworks, and ICT ethics
- **Serial No.** : NSC-ICT-WDDF-L3-002276
- **Registration No.** : REG-ICT-WDDF-L3-001803

SKILLS

- Cloud Computing (AWS, Azure, DigitalOcean, Linode)
- VPS & Server Management (Ubuntu, AlmaLinux, Debian)
- Web Hosting Panels (CyberPanel, CloudPanel, Plesk)
- DNS Management (PowerDNS, DNS Records, PTR)
- Domain & Hosting Troubleshooting (SSL, Email, Website Errors)
- Website Performance Optimization (LiteSpeed, Caching)
- Web Development (Next.js, WordPress, PHP, Tailwind CSS)
- WHMCS & WISECP (Billing, Automation, Custom Modules)

LANGUAGES

- **Bengali**: Professional / Native Proficiency
- **English**: Native-level Proficiency
